

Register Your DreamSpark Account Manually

If you are registered for a CIS or CIT course which requires the use of the programs available at DreamSpark you should have received an email with an activation link at the beginning of the semester. The email was sent to your BCC email. If you did not receive the email and you're sure that an account was created for you, you can manually register your account by following these instructions:

1. Click on [this link](#) to access the *DreamSpark* Login Screen.

Sign In

Username*

Password*

Register

Need to request an account or complete registration? Click the Register button below to continue.

Register

2. Click on **Register**

Activate Account

To access the WebStore, an administrator must complete the registration in order to activate the account.

Please enter your account identifier to complete the registration. If no account has been created for you, you can request an account.

Username*

 ?

Continue

3. Enter your **BCC email address** as your username and click on **Continue**

4. The following message will appear:

▲ • An email message has been sent to verify this email address. Follow the instructions in the message to continue with registration.

Activate Account

To access the WebStore, an administrator must first have created an account for you and you must complete the registration in order to activate the account.

Please enter your account identifier to complete the registration. If no account has been created for you, you can request an account.

Username*
 ⓘ

5. Check your BCC email for the verification message (it may take a few minutes). The subject line will contain the message: *An account has been created for you.* The body of the message will contain a link that you must use to complete the registration process. Click on the link. This will display an **Account Registration** screen.

6. Fill in the Account Registration Screen and click on **Register**
Note: Your BCC email address will be your username and this is where you establish your *DreamSpark* password. Please remember these credentials; you will need them to download software this semester and in future semesters.

Account Registration

Last Name* First Name*

Username*

Email Address*

Yes, I'd like to receive email newsletters and student or educator promotional offers about development tools and technologies from Microsoft.

Choose a Password*

Password must be at least six characters long.

Confirm Password*

Must match the password above.

7. Upon completing the registration, the BCC *DreamSpark* home page will be displayed.
