

STEM Club Tours April & May 2019

General Dynamics Mission Systems

400 John Quincy Adams Rd, Taunton, MA 02780

General Dynamics develops critical C4ISR solutions across the land, sea, air, and space cyber domains. This technology is what helps downed pilots call home, helps sailors located underwater-mines with ROVs, helps the government send secure top-secret information, and helps the student open a textbook from their device. **Tour will include a view of the facilities, and a face-to-face meeting with software developers, engineers and technicians. Limited spots, please RSVP.**

FRIDAY

APR
5

Time: 9AM

Berklee College of Music

921 Boylston Street, Boston, MA 02215

As the largest independent college of contemporary music in the world, Berklee offers courses in jazz, rock, flamenco, hip hop, reggae, salsa, heavy metal, and bluegrass. Berklee alumni have received notable accolades, such as Grammy, Latin Grammy, Emmy, Tony, and Academy awards. Also offered are courses and research in acoustics and sound engineering, as well as a study abroad program on the Spain campus. **Tour will include an Information Session, Campus Tour, and a chance to interact with students/staff at Berklee. Limited spots, please RSVP.**

WEDNESDAY

APR
10

Time: 9:30AM

Wentworth Institute of Technology

550 Huntington Ave, Boston, MA 02115

Founded in 1904, Wentworth is a private, technical design and engineering university that offers 18 bachelor's degree programs and master's degrees, as well as a study abroad program. Academic departments include: mathematics, architecture, biomedical engineering, civil engineering, CIS, construction management, electrical engineering, humanities, industrial design, interior design, sciences and management. **Tour will include an Information Session, Campus Tour, and a chance to interact with students/staff at WIT. Limited spots, please RSVP.**

WEDNESDAY

APR
10

Time: 2PM

Engineered Materials Solutions

39 Perry Ave, Attleboro, MA 02703

For over 100 years, EMS has provided highly engineered materials that provide customized solutions to satisfy customer and market needs. Clad Metals are made using PT Bonding, warm bonding, inlay cladding and side-to-side cladding with thousands of applications around the world such as cookware, batteries, motor vehicles, ect. **Tour will include a view of the facilities, and a face-to-face meeting with software developers, engineers and technicians. Limited spots, please RSVP.**

FRIDAY

APR
12

Time: 5PM

Use the QR code to take you directly to the sign-ups!

Register Now (EASY)!

- Use the QR code on the left or go to <https://bristolstemclub.blogspot.com>
- Fill in all required information
- Sign the waiver for your trip. You can either scan it and email it to shincapie11@bristolcc.edu, or print it and slide it under the door in K218!
- Keep an eye on your Bristol student email for details and updates!

Contact shincapie11@bristolcc.edu for more details or if you have questions.

STEM Club Tours April & May 2019

Worcester Polytechnic Institute (WPI)

100 Institute Road, Worcester, MA 01609

Founded in 1865, WPI is one of the first engineering and technology universities in the U.S. Today the institution has over 14 academic departments and over 50 under/graduate programs. Current research at the university is focusing on health & biotechnology, robotics and internet, materials & manufacturing, CIS, and the sciences. **Tour will include an Information Session, Campus Tour, and a chance to interact with students/staff at WPI. Limited spots, please RSVP.**

FRIDAY

APR
26

Time: 10AM

UMass Lowell

220 Pawtucket St, Lowell, MA 01854

UMass Lowell is a NEASC accredited national research university. It offers 122 bachelors, 43 masters, and 36 doctoral degree programs in six colleges. Current accredited programs include engineering, criminal justice, education, music, science and technology, meteorology, sound recording, nuclear engineering, and plastics engineering among others. **Tour will include an Information Session, Campus Tour, and a chance to interact with students/staff at UMass Lowell. Please RSVP.**

WEDNESDAY

MAY
1

Time: 9:00AM

Massachusetts Maritime Academy

101 Academy Dr, Buzzards Bay, MA 02532

Located at Buzzards Bay, MMA offers under/graduate degrees in maritime fields. Programs of study include engineering, marine technology, business, emergency management, and social sciences. The Maritime Academy offers international exchange programs and athletics. **Tour will include an Information Session, Campus Tour, LUNCH and a chance to interact with students/staff at the Mass Maritime Academy. Limited spots, please RSVP.**

MONDAY

MAY
20

Time: 10AM

Woods Hole Oceanographic Institution

93 Water Street, Woods Hole, MA 02543

For more than 100 years, this private, nonprofit research/higher-ed facility has been dedicated to the study of marine science and engineering. The WHOI agenda includes geological activity; plant, animal, and microbial populations in the ocean; coastal erosion; ocean circulation; ocean pollution; and global climate change.

The tour will begin at the WHOI Visitor Center. Students will then explore the Dock Facilities and Ocean Science Discovery Center. Limited spots, please RSVP.

MONDAY

MAY
20
