

## Women in STEM – Event Invitation

# FIRST MEETING OF THE SEMESTER

Wednesday, September 27, 2017  
Room B112 from 2:00PM – 4:00PM  
RSVP: [Kylie.Pasternak@BristolCC.edu](mailto:Kylie.Pasternak@BristolCC.edu)

# CANDY CATAPULTS

**Build personal catapults & test how far they can throw things (like candy) while we have our first club meeting of the semester!**

All students with an interest in learning about our club are welcome to attend! (You do not need to be a STEM (science, technology, engineering, or math) student to join!) It will be a great opportunity to meet our members, learn about our club, discuss the agenda for the upcoming semester, and vote on what activities the members would like the club to offer this year.

**If you are not available to attend, but would like to learn more about becoming a member, contact [Meghan.Abella-Bowen@BristolCC.edu](mailto:Meghan.Abella-Bowen@BristolCC.edu).**

Approved by the Office of Student Life 9/5/2017
